| Legend | | | | | | |
| Metric is within the limit that would allow consideration to move up to next Level | | | | | | |
| Metric is slightly above the limit that would allow consideration to move to next level | | | | | | |
| Metric is well above the limit that would allow consideration to move to next level | | | | | | |
| <p>The LENS of the Future committee is following this data closely. Although we regret having to pull back to Level 2, we feel it is a necessary response to the increasing number of infections. We continue to strongly encourage everyone to be vaccinated and to take all precautions that you feel are appropriate.</p> | | | | | | |
