1.0 Accounting

1.1 Accountable Reimbursement Plan

Date: 11.2017 (Revised 8.6.2024)

Ministers and staff shall be reimbursed for any ordinary and necessary business and professional expenses if the following conditions are satisfied:

- The expense clearly supports the work of the congregation and is reasonably necessary to meet the employee's performance objectives and/or job responsibilities.
- The amount of the claimed expenses is reasonable.
- Receipts are provided showing the amount, date, detail of the expense, business relationship and business purpose.
- Funds are available in the individual's professional expense allowance or in an alternate, appropriate budget line as approved in advance by the Executive Team.

Reimbursement requests to the employee or vendor must be submitted to the Church Administrator for processing at least monthly.

Church-issued credit card charges: All receipts substantiating charges to a church-issued credit card must be submitted prior to payment of the credit card statements. Any receipts **for any purpose** not submitted within 60 days of incurring the charge will become taxable to the employee and reported on the employee's W-2. Any charges for **personal expenses** must be reimbursed to the church within 60 days of incurring the charge.

Qualifying expenses include but are not limited to automobile expenses at the IRS standard allowance; conference, meeting and travel expenses; church-related professional development; books, newspapers, periodicals, audio-visual materials and other resources necessary to the employee's performance objectives; professional association dues usual and customary for the position; clerical gowns, robes and religious garments; meals within IRS limits; cell phone, long distance calling and internet expenses incurred in the service of First Unitarian; equipment necessary for the performance of the minister or staff member's duties. For questions regarding eligibility of expenses, the employee should consult the Church Administrator or Senior Minister prior to incurring the expense.

Expenses not covered include, but are not limited to: beer, wine or liquor; personal travel expenses such as dry cleaning, spouse travel/meals and other personal items; gifts, except those to recognize volunteers.

All receipts and documentation submitted must be original – copies are not acceptable.

Excess reimbursements/advances: Any congregational reimbursement or advance that exceeds the amount of business or professional expenses properly accounted for under this plan must be returned to First Unitarian within 120 days of after the associated expenses are paid or incurred by the minister/staff and shall not be retained by the

minister/staff. Note that all items with an initial value in excess of \$75 remain the property of First Unitarian; in the event the minister or staff member leaves the employ of First Unitarian Church, he/she will reimburse the church for such items at the current market value (determined by such methods as Craig's List or It's Deductible).

Amounts in excess of the professional expense budget line item must be reimbursed to the church within 60 days of incurring the charge.

Tax reporting: First Unitarian Church shall not include the amount of business or professional expenses on the minister/staff member's W-2 form, and the minister/staff member should not report the amount of any such reimbursements as income on Form 1040 except as noted above.

Separate Check: Reimbursements shall be paid by separate check drawn from appropriately budgeted funds and not by increasing paychecks by the amount of the business expense.

Unused budget: Monies budgeted for professional expenses that have not been expended by the end of the fiscal year may not be carried forward to subsequent years. Such monies shall not be distributed to the minister/staff or reallocated as compensation in any way.

Retention of Records: All receipts and other documentary evidence shall be retained by First Unitarian Church under the church's Records Retention Policy.

1.2 Budget Process

Date: 1.24.2019 (Revised 9.10.2024)

1. **Consultation with Ministry Teams.** In early November, the Senior Minister and Church Administrator will consult with Ministry Teams and other congregational groups about their budget needs for the coming year and draft a budget.
2. **FOC Review** – At the end of November, the Executive Team will send the budget to the Financial Oversight Committee (FOC) for review. The FOC reviews the draft budget, asks questions, and sends it to the board to review the first week in December.
3. **Board of Trustees Review.** At the December Board meeting, the Executive Team and Board review the budget. The Executive Team notifies any committees or teams with changes to their original requests.
4. **Congregational Discussions.** In January, the Board will hold open gatherings sharing the stewardship theme and budget summary, gathering any concerns and questions from the congregation.
5. **Revised Budget to Board.** In March, the Executive Team will submit a revised budget proposal to the Board for the Board's review. A second congregational discussion about the budget will be held.
6. **Board Finalizes Budget.** In May, the Board and Executive Team finalize the budget.
7. **Presentation of the Budget to the Congregation.** On the first Sunday in June, the Board presents the annual budget to the congregation for approval.

1.3 Capital Maintenance Fund

Date: 8.13.2019

PURPOSE:

The purpose of the Capital Maintenance Fund is for non-routine repair, improvement or replacement of items of significance with the existing building, grounds and equipment. "Items of significance" are defined as items for which the cost of non-routine repair, improvement or replacement would equal or exceed \$2,500. Documentation on compliance with this policy when expending funds will be reported to the Board in the monthly Executive Report.

FUNDING:

- a. **Operating budget** - The annual target amount to set aside from the operating budget would be \$1 per square foot of building space annually (currently \$23,000). The total amount of the fund would be capped at 2% of total gross fixed asset cost less land cost on the balance sheet at June 30 of each fiscal year.

These funds will be segregated and accounted for separately as Capital Maintenance within the operating fund of the church.

- b. **Restricted contributions** – Contributions specifically restricted by the donor for the Capital Maintenance Fund will be segregated and accounted for as a restricted asset of the church.

Funds may be transferred to other church funds in accordance with the Executive Limitations included in Board policy. These funds will be budgeted and expended by the Executive in accordance with Board policy (current policy requires two informal quotes required for expenditures from \$2,500 - \$4,999.99 and two competitive bids or sole source justification for expenditures over \$5,000) and reported in the financial statements of the church.

2.2 Building Use Policy and Procedures

Date Revised: 8.8.2024

PURPOSE:

The First Unitarian Church of Des Moines believes our building and grounds are an important asset that should be used by members of the Church community and by community organizations with compatible objectives.

RENTAL POLICY

The building and grounds of The First Unitarian Church of Des Moines is first and foremost for the use by the church for its programming. Space and time permitting, it is then available for rentals by members and community members for other activities as defined in our building usage agreement, so long as those activities align with the church's vision and values. In most cases, the Church expects the costs of usage to be covered by rental fees, and therefore, will request payment from the organizations or persons for requested areas.

The final determination of usage and rates will be made by the Church Administrator in consultation with the Church Minister.

LIMITATIONS OF USE

Groups renting space in the church may not engage in partisan political activity, i.e., activity that supports one political party's tenets to the exclusion of other options, or events that are designed exclusively for member of one political party or the other.

Activities that provide an exchange of ideas, information or views on a particular political topic are welcome, such as candidate debates, informational forums, and other such activities. Final determination of what consists of "church's values" will be made by the Church Administrator in consultation with the church minister.

BUILDING ACCESS

The rental coordinator will work with renters to determine their access needs and timing. Once approved, renters will be provided with information on how to access the building and how to secure the building near the time their rental begins.

The rental coordinator will verify the building is secure once the renters have vacated the building.

BUILDING USE SCHEDULING

1. Persons interested in renting the facilities must talk with the rental coordinator to verify that the desired date and space is available and that the beliefs of the

person/group are consistent with the Church's beliefs. If the beliefs are at odds, the Minister or Church Administrator will decline the rental request.

2. The rental coordinator will help the applicant complete the rental portion of the Building Usage Agreement so it is clear to both parties what rooms will be used and whether a building coordinator will be required. Fees will be determined at this time.
3. The applicant will submit the completed Building Usage Agreement, signed Terms and Conditions of Building Use and signed Alcohol Use Policy forms, if applicable, to the rental coordinator with the requested deposit for the space to be reserved. All signers must be over 18 years old, except for the Alcohol Policy, where signers must be over 21 years old.
4. Once all completed documents are signed and submitted and the deposit paid, the rental coordinator will add the rental to the church calendar and secure the date and time requested.
5. The rental coordinator will then schedule a time to review the building procedures, equipment needs and access requirements with the renter.
6. If requested, the renter will provide the rental coordinator with a copy of a certificate of insurance, naming The First Unitarian Church of Des Moines as an additional insured two weeks prior to the scheduled event.
7. All events need to conclude no later than midnight, including clean up. Given the residential nature of the area, noise needs to be controlled after 10 PM.

DEPOSIT

1. Rental deposits are due when the Building Use Agreement is signed. The deposit covers any damage to the facility, equipment, and contents, and guarantees the space reservation.
2. Notification to the rental coordinator of the cancellation of the space reservation less than 30 days prior to the rental will result in forfeiture of the deposit.
3. The deposit will be "returned" by providing a credit to the final invoice for the rental if all provisions of this policy and the Building Use Agreement, Terms and Conditions of Building Use and the Alcohol Policy are complied with.
4. The Minister or Church Administrator reserves the right to assess fees if damage occurs during the rental or special clean-up is required following the event. The Minister or Church Administrator also reserves the right to cancel any further use of the facilities or grounds by the tenant.

Deposit: \$100 for rentals \$100 or less
 \$200 for rentals \$100 or more
 \$500 for weddings

RENTAL FEES

1. The Minister or Church Administrator may waive aspects of the Building Use Policy and Procedures to groups that have been denied the right of assembly at other locations or would be unable to meet some part of our policy/procedures. The Minister or Church Administrator is authorized to determine if a group may qualify for this consideration.
2. Rentals for a series of meetings or classes should be paid before the start of classes. The assessed fee is based on each meeting.
3. The rental fee is based on the time the building is opened through clean-up.
4. Rental charges are based on Type of Event, space requirements and resources needed.

ACCESS AND MARKETING:

- If you are given an access card, you are the sole person responsible for the card and may not give the card to anyone. You are also responsible for returning the card immediately after your event is over. If the alarm is activated, you will be responsible for paying the \$200 penalty fee. If you lose the card, please notify the rental coordinator immediately so access can be disabled. There will be a fee of \$25 for lost cards.
- No renter may advertise the Church name in their marketing or promotional literature as a sponsoring organization without written approval from the Minister and/or Church Administrator, unless it is a church event or affiliated organization event. Non-church events are prohibited from listing the church's phone number on advertising materials as a contact number for further information. The renter is responsible for providing all necessary information and registration, including directions, to those who may need them.

CONDUCT:

- You are responsible for the participants' conduct and any damage to the building, equipment, or grounds or personal injury to members or guests. The Minister and/or Church Administrator may require your group to provide your own insurance to cover congregational facilities and property during your event with a one-time rider policy presented with the rental agreement. The Minister and/or Church Administrator reserves the right to cancel any permission granted and will not be liable for any costs incurred by the renter.
- Children must be supervised whether the nursery has been rented or not.
- Only service animals are allowed in the building during rentals without prior approval.
- Smoking is prohibited throughout the building.
- Possession and/or use of controlled substances not prescribed by a physician, and unruly behavior are prohibited. Possession and/or use of firearms and/or dangerous weapons is prohibited unless firearms are part of professional security for an event.
- Given our location in a residential neighborhood, we ask that noise be limited especially for events extending past 10 PM. All events, including clean up, should end no later than midnight.

- Use of the facilities shall be strictly limited to those areas designated and approved in the Building Use Agreement. Whenever special equipment is required, a Congregational Representative may be assigned to your event, at additional cost. This cost will be determined by the time the person must be present to complete their responsibilities. This representative shall have complete authority concerning the use of the facilities and grounds.

PARKING AND POLICE/FIRE ASSISTANCE:

- Parking is restricted to the parking area east and south of the church. If you feel you need additional parking, you may contact the nearby businesses to gain approval to use their parking areas. Do not use their parking lots without gaining permission first.
- If the nature of your event requires special police, chaperones, and/or fire protection, these expenses are your group's obligation. The Minister and/or Church Administrator reserves the right to require that police, chaperones, and/or fire protection be provided along with a one-time insurance rider if concerns exist regarding safety and the well-being of participants and the facilities.

DECORATIONS AND CLEAN UP:

- You may provide your own decorations. No decorations shall mark or damage the walls, windows, floors, fixtures, ceilings, tables or any other part of the building or its contents. The following may NOT be used: glue, pins, tacks, nails, staples, screws, or tape. Blue delicate surface painters tape MAY be used but even this tape can cause damage. No candles are allowed except for votive candles in an appropriate votive candle holder, battery operated candles, or for a wedding ceremony, candelabras with glass globes. All decorations must be removed at the end of the event. No part of the Church may be damaged or marred by any decorations or other items affixed to the walls, floors, or ceilings. All costs incurred to repair such damage will be deducted from the deposit and any remaining deposit will be refunded. If any of the damages exceed the amount of the deposit, the renter will be billed for those charges more than the deposit.
- The renter is responsible for setting up and cleaning up all areas used. Supplies are provided for you. All items brought to the facility for the event must be removed prior to the agreed-upon building closing time. If kitchen equipment is used, further information will be supplied. Leftover food may NOT be left in the kitchen without approval from the Minister or Church Administrator. Failure to properly tidy/clean the space will result in a fee. Trash bags will be provided to you and all trash/recycling should be placed in the receptacles located in the south parking lot.

OTHER:

- The Church is not responsible for individual property that is lost, stolen or damaged. Security, if needed, must be provided, and paid for by the renter.
- All payments must be made two weeks (14 days) before the event starts. Failure will result in event cancellation and the deposit will not be refunded.

The responsible party hereby agrees to defend, indemnify and hold First Unitarian Church of Des Moines, as well as all of its employees, agents, representatives, affiliates, contractors or invitees, harmless from any and all claims, causes of action, judgements, suits and/or demands of every nature instituted by any other person or entity, claiming the First Unitarian Church is liable, in whole or in part, directly or indirectly, for any injuries or damages claimed to have arisen out of the renter's use of First Unitarian Church pursuant to this agreement.

2.3 Childcare Policy

Date Revised: 8.6.2024

Welcome to First Unitarian Church of Des Moines! We noticed you had a child with you when you first visited and wanted to provide you with some basic information about our childcare program. Childcare is provided so that individuals and families with children can participate in the church's programming. If there is a program that you would like to attend, but cannot because of a need for childcare, please contact the Faith Formation and Congregational Life Coordinator.

Sunday Morning Childcare:

Childcare is routinely provided each Sunday morning from 9:15 am until after the end of the forum. These times may change as the service times are adapted throughout the year.

Traditionally we offer Infant / Toddler care for children 3 years old and younger. Children 4 years and older are encouraged to participate in Religious Education classes.

There are times when we have no Religious Education Classes and the ages for childcare are expanded to accommodate those slightly older, but still uncomfortable sitting through an hour long program. This would need to be coordinated with the childcare staff and approved before dropping an older child off.

Adults who bring children to the childcare room should sign in on the clipboard provided, including child's name, medical concerns (allergies, recent illness), and parent's name.

Parents are required to stay on church grounds.

Childcare workers are not permitted to dispense prescription or over-the-counter medication to children.

The church does not provide diapers, extra clothing, or blankets; children must come with their own supplies.

Our goal is to provide two childcare workers or volunteers in each of the childcare rooms. Junior and senior high youth are welcome to work with at least one adult assigned to each room. All staff and adults who volunteer in the childcare rooms will be required to submit to a criminal background check.

Children are not to be left alone in the childcare room at any time, either by parents or staff.

Mid- Week/ Multi-aged Childcare:

If childcare is provided for an event or midweek class, it will be available 15 minutes before an event begins. Children should be picked up no later than 10 minutes after the conclusion of the event.

Parents must never leave church grounds when using childcare.

Every effort will be made to provide childcare as scheduled; however, should unexpected circumstances due to weather or illness occur preventing childcare from being available, a parent volunteer may be recruited to offer childcare services, or a cancellation notice will be posted.

2.4 Disposition of Furniture and Equipment

Date Revised: 8.6.2024

The church will dispose of furniture and equipment that is no longer functional or useful in a manner that serves the best interests of the church community keeping in mind the desire of the church to use “green processes” when available.

When an item of furniture or equipment is determined to be no longer functional or useful, the Church Administrator will be notified so a determination of method of disposition can be made.

When the Management Team determines an item of furniture or equipment no longer has value or usefulness to the church, it will be **disposed of in one of the following ways:**

1. Furniture of minor value and old computer equipment may be offered to church members for haul away. Any remaining items will be donated to a non-profit, charitable organization and/or recycled through the best available alternative available.
2. Items not covered by the above will be sold through sealed bids, auction or publicly advertised sale with any proceeds from such sale being deposited to the operating fund of the church.
3. Trade-in allowances on any item of equipment being replaced or upgraded may be accepted.

2.5 Document Retention

Date: 5.2012

2.6 Inspection of Church Records

Date Revised: 8.6.2024

Board policy (Board Policy on Inspection of Church Records) establishes accessibility guidelines for access to church records. This policy explains how access will be implemented.

Summary budgetary information will be available:

1. At budget forums scheduled annually in April.
2. Printed in the Annual Meeting booklet.
3. By written request (email is sufficient-admin@ucdsm.org) to the Church Administrator.

Minutes and agendas of meetings of the board or membership will be made available on the church website.

Access to other information specified in the Board policy, including (1) A record of names and addresses of all members, or (2) Accounting records, to include line-item budget detail will be made available in the following manner:

1. By written request (email is sufficient) to the Church Administrator with a specific description of the information being requested.
2. The request should specify if the requestor wishes a copy (electronic or paper) of the information or wishes to examine the records in person at the church office.
3. If the requestor wishes to examine the records in person, a time must be scheduled in advance with the Church Administrator or the Church Administrator's designee during regular business hours, excluding holidays.
4. A maximum of ten business days should be allowed for the request to be fulfilled. If a longer period of time is necessary to fulfill the request due to the complexity of the request, the Church Administrator will communicate that information to the requestor and provide an approximate date when the request can be fulfilled.

2.7 Network and Password Security (Church members)

Date: 5.2012 (Revised 8.6.2024)

The secure church network is for church-related business and communications. Access to the network is available for authorized church business. Access to the unsecured church wi-fi network is available for members and guests.

This policy is to ensure three goals are met:

- **Confidentiality** – authorizing people to have access only to information that is needed for the required task(s).
- **Integrity** - maintaining the value and the state of information so it is protected from unauthorized modification.
- **Availability** - ensuring that information and information systems are available and operational when they are needed to support the church's processes.

Any software or other material downloaded to church-owned computers may be used only in ways consistent with the licenses and copyrights of the vendors, authors or owners of the material. Prior written authorization from the Church Administrator is required before introducing any software into the church-owned computer system.

2.9 Use of Church-Owned equipment

Date: 5.2012 (Revised 8.6.2024)

Church-owned equipment is defined as any piece of equipment purchased with church funds or accepted by the Management Team as a donation to the church. The basis of this policy is to safeguard the equipment from damage or loss.

This equipment includes, but is not limited to,

- Sound system equipment
- Stage lighting
- Musical equipment
- Chairs and tables
- Audio-visual equipment
- Kitchen equipment and tablecloths
- Ladders
- Classroom equipment and supplies
- Assistive medical devices such as wheelchairs and walkers

Church-owned equipment is for use within the church building for church events and rental events. This equipment is not for the personal use of church members. However, the assistive medical devices are used as part of Caring Ministry and as such, may be loaned to church members for temporary use. The Caring Ministry volunteers are responsible to track the assignment and return of this equipment.

If a church member desires to borrow church-owned equipment for a church-related event on private property (such as a Food Fair event) or for use by a church-sponsored group (such as AMOS), the member should contact the Church Administrator to determine if the equipment can be temporarily loaned to the member. The Church Administrator will consider, among other things, the availability of the equipment in relationship to other church events during the same time period, the type of equipment requested for use, the beginning and ending date of the loan and the location of the event. If the use of such equipment is granted, arrangements for pick-up and return should be made with the Church Administrator. The church member is responsible for the safe transportation, storage and appropriate usage of the equipment when not on church property.

All discussions of a topic or presentation must be respectful of multiple points of view. The primary purpose of a forum cannot be for commercial reasons. i.e. selling of products.

Scheduling a Forum

The Adult Programming Team is responsible for scheduling all Forums. An individual or group of the church considering proposing a forum must first consider if the topic fits within the stated guidelines. If so, the individual or group shall contact the Adult Programming Team to propose the Forum topic.

3.2 Fundraising

Date: 4.2011 (Revised 8.26.2024)

Fundraisers are an important part of active church life, providing opportunities for our members to strengthen their commitment and contribution to the church as well as providing funds for the church, its groups and programs, and pre-approved charitable causes.

The purpose of this policy is to establish guidelines for reviewing fundraisers and fundraising activities proposed by church groups or individuals for any purpose, by any means and at any location.

The purpose of the review is to ensure that our fundraising activities are consistent with our not-for-profit status; that we are not overburdening the congregation with requests for money; and that the use of church resources is consistent with the church's Ends Statements focused on the highest priority needs, and consistent with the approved church budget.

Fundraising activities at First Unitarian Church fall into two broad categories (these are examples but are not limited to the listed activities):

1. Budgeted fundraisers

- a. Examples may be the Food Fair and Progressive Voices Concert Series.

2. Non-budgeted fundraisers

- a. Fundraisers that support church-related causes
 - i. Examples may be Youth Group cookie dough sale and Memorial Garden plant sale.
- b. Fundraisers that support non-church-related causes
 - i. UUA-related – to be held at the minister's discretion, in consultation with others as determined necessary by the circumstances.
 - 1. Examples may be UUSC or UUA Association Sunday.
 - ii. AMOS-related sales of tickets, etc. where the receipts go to AMOS – to be held at the minister's discretion, in consultation with others as determined necessary by the circumstances.
 - iii. Assisting other UU congregations when a natural disaster strikes – to be held at the minister's discretion, in consultation with others as determined necessary by the circumstances.
 - iv. Fundraisers for Persons or other non-profit, non-church related events
 - 1. Examples would include, but are not limited to, public or private school or club fundraising sales, sales by individuals related to non-church groups or events, fund raisers for other non-profit sponsored events for which the non-profit is NOT affiliated with First Unitarian Church of DM. Such non-church related sales may not have an established sales

location (table) before or after services, at church-related events or in the building.

3. Exemptions from the policy

- a. Sales of books, CDs or other items by guest speakers, musicians and others whose appearance is otherwise approved by the Minister or Director of Music.
- b. Activities pursuant to a rental agreement where a rental fee is paid.

Procedures for requesting permission to hold a non-budgeted fundraising activity:

1. The church members, church committees or staff members (sponsor) who wishes to raise funds in excess of \$100 per event from the church community shall complete a written Fundraising Planning Form outlining the purpose of the fundraiser, a description of the event, the means by which those funds will be raised, the time schedule, location, and other pertinent information requested on the Form. The sponsor is required to adhere to the information submitted on this form. If any changes occur after submission and approval, the sponsor must immediately notify the Church Administrator in writing by sending an email to admin@ucdsm.org.
2. Games of chance, raffles, gambling or similar activities involving risk must be conducted in accordance with Iowa Code Chapter 99B and any applicable Iowa Administrative Rules.
3. The sponsor should contact the Office Manager prior to submission of the form to determine the availability of the desired space and date on the church calendar for the proposed fundraising activity.
4. When funds anticipated to be raised are to be less than \$100 for the event, the sponsor should contact Office Manager to ensure there is no conflict on the date planned.
5. The Fundraising Planning Form should be submitted to the Church Administrator a **minimum** of four weeks prior to the anticipated event date.
6. The Executive Team, in consultation with others as necessary, will approve or deny the request within 14 days of receiving the request. If the request is denied, i.e. does not meet the criteria in this policy, the reasons will be conveyed in writing to the sponsor.
7. Approval must be obtained before any material expenses are incurred.

Criteria:

1. The activity supported by the fundraiser meets the principles of Unitarian Universalism and the First Unitarian Church of Des Moines Ends Statements.
2. Are consistent with our not-for-profit status.
3. Avoid overburdening the congregation with requests for money. Criteria to be considered in this evaluation include the two broad categories of fundraising

activities above, Budgeted and Non-budgeted Events, in the priority order as listed.

4. The Fundraising Planning Form clearly defines the purpose of the fundraiser, the means by which the funds will be collected, the beneficiary of the raised funds and the time schedule.
5. The fundraising activity does not conflict or overlap with other church fundraising activities or goals. Exceptions to this may be determined by the Executive Team depending on the timeframe(s) of the requested activities, who will be solicited in the activity and the anticipated amount of funds to be raised.

Procedure for processing funds:

All proceeds collected will be deposited in the safe in an envelope that clearly identifies the contents as money for the name of the fundraiser immediately following the event. Cash donations received at the event will be counted and signed for by two church members. Checks should be made out to First Unitarian Church of Des Moines. A notation should be made on the face of the check to indicate the purpose of the donation.

Bills related to the fundraising event will be paid in accordance with regular Church policy for payments. Any costs related to the fundraiser shall be consistent with the intent of the fundraiser as written on the Fundraising Planning Form. In no case shall costs exceed receipts.

Event sponsors should be prepared to provide receipts to donors when requested. (The purchase price of a raffle ticket is not deductible.) Such receipts should include language as follows: "The contribution to First Unitarian Church of Des Moines is tax-deductible net of the value of any goods or services provided in conjunction with the donation. Furthermore, it is understood that this contribution is offered apart from any pledge or other commitment by the donor to the church."

Other:

A church-wide calendar of fundraising activities will be maintained by the Office Manager.

3.3 Memorial Garden

Date Revised 8.13.2024

The Memorial Garden is a special place where members may honor loved ones or find a peaceful place for the interment of cremated remains. It is a living reminder of the contribution of our members – past and present – have made to our church community.

The Memorial Garden Fund is used for the long-term care and maintenance of the garden.

The Memorial Garden is available for the interment of cremains of current or past church members. The cremains must be prepared by a mortuary in a biodegradable cloth bag for interment in a designated area as part of a special commemoration service. Although markers are not allowed, a grid drawing of the garden will be provided reflecting the location of the cremains. A plaque is displayed near the garden, listing the names of those interred. Only the names of those interred will be inscribed. There is no fee for interment of cremated remains. Donations to the Memorial Garden Fund are encouraged in whatever amount the individual's family, or other designee, wishes. Also, cremains may be scattered rather than interred upon request.

A memorial brick or granite paver may be purchased and placed in the walkway through the garden. Either one may be engraved to honor a loved one, celebrate a milestone in someone's life or commemorate a contribution to the garden. Individual monuments are not placed in the Memorial Garden so as to maintain a balanced, respectful and consistent aesthetic and feel in the garden and to afford an equality of treatment of all who are interred there.

The location of the garden is intended to be permanent. If the church should ever move, a symbolic shovel of dirt from the garden and the memorial plaque will be moved to the new site.

The garden is available for small gatherings that include weddings, memorial services, meetings and classes. It is also meant to be used as a place for private contemplation.

Contact the Church Administrator for information on interment or on purchasing a memorial brick or granite paver. Contact the Office Manager for reservations to use the garden for an event.

3.4 Recognition of Social Justice Teams

Date Adopted: 8.30.2024

Date Revised: 10.17.24

As Social Justice Teams at First Unitarian Church of Des Moines (UCDSM) are under the Church Executive, headed by the Senior Minister, the following policy is adopted regarding the recognition of Social Justice Teams.

1. **Requirements for Recognition as a Social Justice Team at UCDSM.** A group of members of First Unitarian Church of Des Moines may become recognized as a Social Justice Team if such group:
 - a. Exists to promote purposes aligned with Unitarian Universalist values. At UCDSM, our Unitarian Universalist values are those in the UCDSM bond of union, the congregation's mission, and our covenant. Our values also include those identified in the Unitarian Universalist Article II bylaws.
 - b. Consists of at least three (3) members of UCDSM.
 - c. Applies to the Social Justice Support Team (SJST) to be recognized.
2. **Speak for the Team, not for the Congregation.** Social Justice Groups of the Congregation are not authorized to speak on behalf of the Congregation, but recognized Social Justice Teams may identify themselves by their team name (e.g., "Reproductive Justice Team of First Unitarian Des Moines") and may, as a Social Justice Team, publicly declare their team's position on social and political issues as long as they do not imply the position has been adopted by the Congregation itself, unless pursuant to policy, the Congregation has voted to take that position.
3. **Perquisites of Recognition.** Recognized Social Justice Teams may use the church building space and resources for its activities without owing rent; may be named, with a paragraph description, on the UCDSM web site; may promote their activities to the congregation through the Intercom (e-mailed weekly newsletter); and may request a "Spotlight" slot in the Sunday morning service (this is subject to scheduling constraints as normally there is only one "Spotlight" per Sunday Service). If funding is available from the congregation for certain social justice projects, only projects headed by a recognized Social Justice Team are eligible for funding consideration.
4. **Role of the Social Justice Support Team (SJST).** The roster of Social Justice Teams at UCDSM is expected to be fluid, with new teams forming at any time, and other teams dissolving, either because interest has waned or because the team formed to serve a time-limited purpose which has passed. The SJST maintains the roster of recognized Social Justice Teams and endeavors to keep it current. Accordingly, the Social Justice Support Team shall conduct a review each August-September to ascertain which teams still meet the recognition requirements (section 1) and thus may continue to be recognized through the following Church Year.

4.2 Food Safety Policy

Date: 9.13.2011

This policy applies to all staff/volunteers that handle food, including but not limited to: Wednesday night chefs, religious education volunteers and childcare staff.

New volunteers will be required to review this policy with staff or volunteer leaders and sign off on policy annually before they are allowed to handle food. Additionally, safety checklists will be posted in the kitchen.

There are several areas of food safety as outlined below:

Wash hands frequently, using hot water and soap:

- ❖ Before starting work
- ❖ During food preparation as often as necessary to prevent cross contamination when changing tasks and when changing from handling raw foods to cooked foods.
- ❖ And after:
 - coughing, sneezing, using a handkerchief or tissue.
 - Touching bare human body parts.
 - Eating, drinking or smoking.
 - Handling raw meats, poultry and fish.
 - Handling garbage, sweeping or picking up items from the floor.
 - Using cleaners and other chemicals.
 - Using the toilet.
 - Handling soiled equipment and utensils.
 - Switching between raw foods and ready-to-eat foods.

Avoid cross-contamination:

Cross contamination occurs when harmful bacteria are transferred from one food to another by means of a nonfood surface, such as utensils, equipment or human hands. Cross contamination can also occur food to food, such as when thawing meat drips on ready-to-eat vegetables. Prevent cross contamination by observing these recommendations:

- ❖ Use proper hand washing procedures.
- ❖ Use clean and sanitized utensils and cutting boards when preparing food. Clean cutting boards thoroughly with hot soapy water, followed by a hot water rinse.
- ❖ Store cooked food and raw food separately. Do not leave raw meat out on the counter for more than a few minutes.
- ❖ Wash all fresh fruits and vegetables with clear running water. Use a brush as necessary.

- ❖ Wash, rinse and sanitize can openers. Wash and rinse tops of cans before opening.
- ❖ Prepare batches of food no further in advance than necessary. If necessary to prepare in advance of serving, refrigerate immediately.

Thawing

Thaw foods in refrigerator units, under cool running water, or in a microwave oven (depending on the amount of food). If thawing foods in running water, do not allow thawed portions of raw animal foods to be above 41F for more than four hours.

- ❖ Do not thaw meat or other foods at room temperature.
- ❖ Cook microwave-thawed foods immediately.

Cooking

- ❖ Cook foods to a safe internal temperature.
- ❖ Do not interrupt cooking times by partially cooking foods.
- ❖ Use tasting spoons -- not the stirring spoon -- to test foods. A clean tasting spoon should be used every time food is tested.

Holding/Displaying Foods between Preparation and Serving

- ❖ Fresh vegetables and produce must be refrigerated until preparation/cooking or serving.
- ❖ Keep hot foods hot and cold foods cold.
- ❖ Hold cold foods in serving containers on ice or in the refrigerator.
- ❖ Do not put previously held food on top of freshly prepared food. Use up the previously held food first.
- ❖ Do not handle ready-to-eat foods such as lettuce, ham and cheese with bare hands. Use spatulas, tongs, or clean utensils to handle food.
- ❖ In self-service/buffet situations, provide spoons or tongs so human hands do not touch food.
- ❖ Handle plates by their edges, glasses by the bases and cups by their handles.
- ❖ Handle utensils by their handles.
- ❖ Use metal or plastic scoops -- not glasses, bowls, cups or plates -- to scoop ice.

In addition to the above requirements all volunteers are responsible for:

- ❖ Keeping cooking/serving areas clean.
- ❖ When finished, make sure the space is left the way you found it or better. This includes wiping down countertops, the stove top, and the sink area.
- ❖ If you are cooking do not leave oven or stove unattended while it's on.
- ❖ Do not leave leftover food in the fridge unless you have spoken to staff and know how that food will be used in the future.
- ❖ Label all items left in kitchen or pantry as appropriate.

This policy protects you, the church, its members and friends.

4.3 Our Whole Lives Policies

Date Revised: 8.26.2024

I. Structure of the Program

A. Registration and Fees

1. All legal parents/guardians of minor participants must sign the permission form. If divorced parents share legal custody, the congregation must obtain written permission from both parents. If divorced parents do not have joint custody, and the divorce agreement clearly stipulates that the custodial parent may make decisions regarding their child's education without consulting the non-custodial parent, then it is only necessary to get the written permission of the parent with sole legal custody. However, if the situation is unclear, or if there are persistent questions or concerns, and *especially* if there is a history of conflict between the divorced parents, it is wise for the participating parent to consult a lawyer for clarification of their agreement because even a parent without *physical* custody can still share *legal* custody and retain rights regarding decisions about the child, including decisions about education or religion.
2. It is strongly recommended, but not required, that *all* adults who are in an active parental/guardian role (e.g., step-parent) for the child sign the permission form, even if they technically don't have legal custody. This is both to satisfy legal requirements and to honor the diversity of family structures in our congregations.

II. Teaching

A. Class Coverage

1. Each class shall have at least 2 facilitators, although 3 to 4 are recommended to allow them to rotate. Each class session must have at least 2 facilitators during the entire class (except for brief periods when one facilitator is escorting a student to the bathroom or bringing equipment from the Faith Formation office, etc.). It is recommended, but not required, that each facilitator team represent a diversity of gender identity and sexual orientation.

B. Training Requirements

1. Facilitators must attend a UUA- or UCC-sanctioned training program to prepare for leading *Our Whole Lives*. A facilitator must have received training for the level being taught in order to be a lead teacher; however, those trained in other levels may co-teach and lead activities. While only those who have received training can teach, others may be present in the classroom to attend to the needs of participants (see Section IV).
2. If the trainers at the *Our Whole Lives* training program express reservations about a prospective facilitator, their recommendations must be followed.

C. Recruitment

1. *Our Whole Lives* facilitators are recruited by the Faith Formation Team (FFT), OWL team members (if applicable), and Faith Formation Staff. Facilitators are then affirmed by the FFT.
2. Given the unique nature of the *Our Whole Lives* curricula and the specialized knowledge necessary to cover the material and answer participants' questions, *Our Whole Lives* facilitators need not be members of the

congregation. However, they should ideally have been associated with the congregation for at least 3 to 6 months and have a relationship of trust with their fellow facilitators. (Please see the last page of this document for further information on choosing facilitators.)

3. Teachers will be asked to attend an interview, and submit to a criminal background check before they can be sent for training.
4. People who have already attended an approved *Our Whole Lives* facilitator training who are affiliated with some other religious organization may also serve as *Our Whole Lives* facilitators for a UCDSM *Our Whole Lives* class, at the discretion of the FF Staff, and the FFT.

D. Age Requirements

1. Grades K-1, 4-6, and 7-9: Facilitators must be at least 21 to teach *Our Whole Lives* programs for children or junior high youth.
2. Grades 10-12: So that the boundary between youth and adult is clear, adult facilitators of *Our Whole Lives* for Grades 10-12 must be age 25 or over. However, a trained, qualified youth or young adult could co-lead a high school program in collaboration with a trained, qualified adult 25 or over.
3. Adult and Young Adult: Facilitators of *Our Whole Lives* for Adults and *Our Whole Lives* for Young Adults can be either young adults or older adults.

E. FF Program Requirements

1. All facilitators must be trained in (1) the safety policies and practices of the congregation and the FF Program and (2) teaching children and youth with special needs. To accomplish this, teacher training workshops will be offered each year, as needed. *Our Whole Lives* facilitator training, for this aspect of training only, may be co-convened with FF teacher training.
2. Teachers will be required to read and sign a Code of Ethics each academic year.

III. Classes

A. Class Assignments

1. Children are assigned to classes by school grade.
2. Exceptions can be made by the OWL coordinator in consultation with the facilitators, parents, and possibly FF Staff. (See IV A)

B. Class Sizes

1. *Our Whole Lives* classes should ideally be taught with approximately 8-12 participants at the beginning of the class. UCDSM will cap classes at 12 participants with priority given to UCDSM member families.
2. If a substantially higher number of participants is expected, the Faith Formation Coordinator should investigate the possibility of opening a second class at the same age level, or otherwise expanding the program temporarily or long-term. In no case will an *Our Whole Lives* class for K-1, 4-6, 7-9, or 10-12 be allowed to exceed 12 participants.
3. A planned class may be cancelled if less than 4 participants are expected, but the assigned facilitators, in consultation with the OWL coordinator and FF Staff, may still choose to offer the class.
4. Parents should preregister their child/youth before the class (orientation session) begins. Acceptance of late registration will be determined by the *Our*

Whole Lives facilitators (if possible, in consultation with the OWL coordinator) on a case-by-case basis.

C. Class Schedules

1. Timing of classes (number of sessions, days of the week, times of day) will be determined by the *Our Whole Lives* facilitator team and the OWL coordinator and will be dependent on both pedagogical considerations and room availability. *Our Whole Lives* facilitators may consult parents of participants about scheduling changes that come up during the class.

IV. Inclusion of Participants With Special Needs

A. Class Assignments

1. Children and youth with special needs should not be excluded from *Our Whole Lives* classes because of their special needs. They should take *Our Whole Lives* classes at a stage that is appropriate to their individual development, which may not correspond with the usual age ranges for the program. For example, depending on the type of special need, it might be more effective for a child to take the 4th-6th grade *Our Whole Lives* class at a later biological age. When to have a particular child or youth participate in a particular level of *Our Whole Lives* will be determined through consultation among the *Our Whole Lives* facilitators, parents, OWL coordinator, and possibly FF Staff.
2. Parents should make every effort to notify *Our Whole Lives* facilitators, the OWL coordinator, or FF Staff of their wish for their child or youth with special needs to participate in *Our Whole Lives* class well before the class begins. If parents do not do so, it may not be possible to offer all accommodations, as recruiting the volunteers necessary for some accommodations requires a longer timeline. In extreme cases only, children or youth may be denied the chance to participate during a given year if there is not enough time to set up the necessary accommodations.

B. Accommodations

1. Accommodations should be made for children and youth with special needs to allow them and other students to benefit maximally from *Our Whole Lives* class. The accommodation will be determined on a case-by-case basis before the beginning of the *Our Whole Lives* class by the *Our Whole Lives* teachers, parents, OWL coordinator, and possibly FF Staff. Patton's work "Faith-Based Sexuality Education Guide for the Inclusion of Children and Youth with Special Needs" provides extensive guidance on this topic and should be consulted. The accommodations suggested here are based on that work. Accommodations may include any of the following:
 - a. No accommodations (for mild special needs or those being successfully treated, as might be the case for ADD/ADHD or mild dyslexia).
 - b. Reduced use of reading/writing activities during class, and conversion of reading/writing activities in the curriculum to oral activities (implemented by the teachers, as needed).
 - c. Allowing a child/youth to sit out of activities and not participate, while still remaining in class.
 - d. Use of an Inclusion Team throughout the time period of the class will be used to determine and implement the necessary accommodations. The

team may include at least one FF Staff member or the OWL coordinator, one *Our Whole Lives* teacher of the relevant class, and one parent of the child/youth)

- e. A separate meeting before the *Our Whole Lives* class begins between parents, the *Our Whole Lives* teachers for the class, and possibly an FF Staff member or the OWL coordinator, to discuss accommodations. A meeting that involves the child/youth with special needs may also be held.
 - f. Lending of a curriculum book to the child's/youth's parents, or advice that they buy a copy, so that the parents can pre-read or review lessons with the child/youth.
2. The need to include children and youth with special needs in *Our Whole Lives* classes does not mean that disruptive behavior that interferes seriously with the class is acceptable. Patton's work includes guidelines on making an agreement with the child/youth about what behavior is necessary in order to remain in the *Our Whole Lives* class. However, the Inclusion Team should make every effort to find a solution before any child is excluded from *Our Whole Lives* class.
 3. Inclusion of adults with special needs in Young Adult and Adult *Our Whole Lives* classes: As part of the pre-registration process, an adult with special needs may request a meeting with the *Our Whole Lives* facilitators, and an FF Staff member or the OWL coordinator to discuss what accommodations, if any, are necessary.

V. Parent Involvement

A. Orientation

1. Part of *Our Whole Lives*'s philosophy is that parents are their children's primary sexuality educators. For this reason, at least one parent/guardian must attend the Orientation. However, it is recommended that all parents/guardians/step-parents in a child's life attend.
 2. Facilitators may arrange to meet with parents who are unable to attend orientation, provided that this meeting is held before the first session.
 3. Childcare will be available during all orientations.
 4. Parent Orientation for *Our Whole Lives* 7-9 and 10-12 must include the showing of the appropriate *Sexuality and Our Faith* DVDs. Parents must give written consent for their child(ren) to view the applicable DVD in class.
- B. Meals/Snack: Parents may be asked to contribute to the class by supplying meals or snacks for long sessions (i.e., for *Our Whole Lives* 7-9 and 10-12 classes).

VI. Multi-church Involvement

A. Outreach

1. Children/youth who are not associated with UCDSM, and whose parents/guardians are not members of UCDSM, may participate in *Our Whole Lives* classes at UCDSM. If there are more participants expected for an *Our Whole Lives* class than can be accommodated (see above), UCDSM will make efforts to accommodate all interested participants, but priority may be given to UCDSM member families, if necessary.

The following was excerpted from Planning Guide for *Our Whole Lives* Trainings (revised and updated Fall 2007); It can also be found on UUA website in OWL FAQs (updated June 1, 2010):

GUIDELINES FOR SELECTING *OUR WHOLE LIVES* LEADERS

The success of this program depends on the qualified and caring persons who are selected and trained to be *Our Whole Lives* facilitators. Keep the following criteria in mind when choosing your facilitators:

1. **A commitment to value-based, comprehensive sexuality education.** A facilitator needs to have values in harmony with the *Our Whole Lives* program and goals, and to feel comfortable with his or her own sexuality.
2. **Experienced, skilled, and comfortable with the specific age group and its developmental needs.** A facilitator needs to stimulate discussion by asking open-ended questions, encouraging communication among participants, and facilitating activities that foster experiential learning. A facilitator needs to use sexual terminology and age-appropriate language comfortably, relate well with the age group of the participants, and convey warmth and a sense of humor.
3. **Anti-bias awareness.** A facilitator needs to understand, appreciate, and celebrate diversity of race/ethnicity, culture, age, ability, gender, gender identity, and sexual orientation. A facilitator needs to have the skills to work with people of diverse backgrounds as well as the ability to create a safe and engaging learning environment.
4. **An advocate for sexual health and safety.** A facilitator needs knowledge and skills not only to educate about sexual health but to fulfill the trust inherent in the role of sexuality educator. This role includes the responsibility to recognize and report abuse. The facilitator must support your organization's safety-abuse policy and must follow your state's or province's process for reporting and investigating an alleged abuse.
5. **Ability to build relationships.** A facilitator needs to develop rapport with participants, and when the participants are children or youth, with parents and family as well. Facilitators need to build community in the classroom, uphold the Participation Guidelines, and develop relationships of respect, reciprocity, and responsibility within your organization and the wider community.
6. **Dedicated learner and facilitator.** A facilitator needs to be willing to become thoroughly familiar with the content of the program, to work with a co-facilitator or teaching team, and to listen to and learn from young people and parents.
7. **Appropriate boundaries.** Facilitators need to understand that the class is an opportunity for the participants to explore their sexuality and test boundaries and assumptions, which may occasionally involve self-disclosure from participants. Facilitators may be called upon to uphold boundaries on participants' sharing. Further, facilitators should not use class for their own personal exploration or self-disclosure. This is critically true for the children's and adolescent levels of *Our Whole Lives*, but it is also true for the peer-led Young Adult and Adult levels. Facilitators need to understand the ways that their own participation could compromise their effectiveness as facilitators.

8. **Person of faith.** When offering *Our Whole Lives* in a congregational context, a facilitator needs to be a person who is respected by the congregation and comfortable discussing the integration of sexuality and spirituality with members of their faith community. They should be aware of their own spiritual or religious grounding, and should possess an ability to connect the program values with their religion's principles, traditions and history.

4.4 Safety Policy

Date: 6.20.2019 (Revised 8.30.24)

I. Purpose

As Unitarian Universalists, our commitments to the inherent worth and dignity of every person and to justice and compassion compel us to create for our children, members, and staff a safe environment which protects their physical, mental and emotional well-being and promotes their spiritual growth.

Recognizing that violence and child abuse are two of the most troubling issues our society faces today, the policies and procedures contained in this document were developed to reduce the risk of harm to children, members, and staff and ensure that First Unitarian Church and its programs provide a safe haven for them. Issues of violence and sexual abuse will be addressed openly, honestly, and with care.

II. Misconduct Prevention and Safety Policy

To safeguard its children, youth, congregants, staff, and volunteers, First Unitarian church has adopted this Safety Policy, which includes:

- Requirements for staff and volunteer recruitment, selection, and conduct.
- Procedures for safety and supervision in all faith formation programs for children and youth.
- Procedures for reporting and responding to concerns, complaints, and/or allegations regarding sexual misconduct or abuse or other forms of misconduct or harassment (“misconduct”).
- Requirements for ongoing congregational education and discussion about misconduct, child protection, and responsible behavior toward both children and adults.

It is the policy of the First Unitarian Church to take seriously all allegations of misconduct, especially allegations involving children and youth. We recognize that allegations of misconduct may be devastating to both the accuser and the accused. Consequently, we have created a Safety Response Team to handle concerns, complaints, or allegations of misconduct as they may arise (see Section VI). The Safety Response Team is expected to act in ways that respect the inherent worth and dignity of all the parties involved.

No person with a history of sexually or physically abusing another individual may be involved in any way in our faith formation program for children and youth unless a specific exception is made with a documented agreement with all members of the Safety Response Team. No person against whom a complaint of misconduct has been filed and who is under investigation will be permitted any unsupervised direct contact with children or youth at church or church-sponsored activities.

Depending on the content of the complaint of misconduct, a person may also be barred from leadership or participation in other church activities. For example, an adult accused of misconduct against another adult may be barred from activities until there has been a resolution of the complaint or a limited access agreement effective while the resolution is pending.

We, the First Unitarian Church, accept the responsibility to educate ourselves and our children about sexual misconduct and abuse and pledge to do our best to protect and support those who come to us either at risk or in crisis.

As a churchwide preventative policy, it is understood that parents are responsible to supervise their children (up to age 18) at all times, except when children are attending activities sponsored by the Faith Formation Ministry and supervised by members of that ministry team.

We recognize that this policy is a living document, and the congregation may in future years wish to amend it to reflect changes in understanding or needs.

III. Code of Ethics for Adults and Older Youth who are Leaders with Children and Youth

Leaders will not engage in sexual, seductive, or erotic behavior with children and youth. Leaders will also not be involved in sexual harassment or any other behavior with youth which constitutes verbal, emotional, or physical abuse.

“Leader” refers to any person who is working with children and youth in any program of First Unitarian Church. All such leaders are bound by this Code of Ethics statement. Adults and older youth who are in leadership roles are mentors who play a key role in fostering spiritual development of individuals and our faith community. It is, therefore, especially important that those in leadership positions be well qualified to provide the special nurture, care, and support that will enable children and youth to develop a positive sense of self and a spirit of independence and responsibility.

The relationship between young people and their leaders must be one of mutual respect if this positive potential is to be realized. There are no more important areas of growth than those of self-worth and the development of a healthy identity as a sexual being. Adults play a key role in assisting children and youth in these areas of growth. Children, youth, and adults suffer damaging effects when church leaders become sexually involved with children and youth in their care or with adults with whom there is a relationship of trust and guidance.

Leaders shall be informed of this code of ethics and agree to it before assuming their role. In cases of violation of this code, appropriate action will be taken. Signing the Affirmation Form below signifies that leaders have been informed of the Code of Ethics.

Honoring and adhering to this code of ethics is not only a policy of this congregation but is also inherent in our Unitarian Universalist values set forth in this congregation’s bond

of union, its mission, its covenant, and in the UUA's Article II Bylaws. Adherence to these ethical standards is integral to the covenantal relationship within which all Unitarian Universalists stand. Accordingly, if an adult or older youth leader has not signed this form, that person is nonetheless bound by this code of ethics.

Affirmation of Receipt of Code of Ethics

I have received and read the First Unitarian Church of Des Moines Code of Ethics for Adults and Older Youth. I understand and agree to abide by the Code of Ethics throughout the duration of my involvement with the church and its community.

IV. Selection of Staff and Volunteers Programs with Children and Youth

To safeguard children and youth, as well as staff and volunteers, the First Unitarian Church requires staff and volunteers who work with children and youth to meet the following selection and qualification requirements.

A. Application Process

1. Both paid staff and volunteers who will have contact with children (either on the premises or in the programming of the First Unitarian Church) must go through an application and screening process. Employees will be oriented to the church's human resource policies on misconduct.
2. The application and screening process will, at a minimum, include a formal written volunteer information form and checking of references. Personal interviews may also be conducted.
3. Applicants will be asked to consent to checks of the Department of Human Services Child Abuse Registry and the Department of Criminal Investigations criminal records. Checks will be made for all applicants for paid employment. Checks may be made for applicants for volunteer positions.
4. Volunteers who have been through the application and screening process will not be asked to do so again unless there is a change in circumstances. Volunteers must inform the Church Administrator if there is a change in circumstances (including, but not limited to, arrests, convictions, or registered on the Child Sex or Sex Offenders Registry).

B. Eligibility

1. *Six Month Rule.* Volunteers must have participated regularly in First Unitarian Church's congregational life for a period of at least six consecutive months before they are eligible to work with children and youth. The following exceptions may apply:
 - a. An exception may be made by agreement of the Safety Response Team for volunteers with appropriate references.
 - b. An exception may be made by agreement of the Safety Response Team for volunteer activities at one time events which are held in a public setting.
 - c. Parents are invited to visit and participate in their own children's classrooms and activities. But if a parent has consented to their child's participation in a special curriculum like the Our Whole Lives (in which parents do not participate so as to allow full discussion of the curriculum's content), then the classroom is not open to the parent except when invited.
2. *Prior Offense Rule.* An adult who has been convicted, arrested, or investigated for child abuse is not eligible to work directly with children and youth unless the Safety Response Team makes a specific exception via document signed by all Safety Response Team members and submitted to

the Church Administrator.. The Safety Response Team may encourage an adult barred from a role in the children and youth faith formation program to volunteer in other areas of congregational life. The Safety Response Team may recommend pastoral guidance and counseling to help the barred adult understand the church's responsibility to provide the highest level of protection for children and youth.

V. Supervision in the Faith Formation Program for Children and Youth

The Faith Formation Ministry Team has instituted the following practices and policies to promote child safety in the supervision and program design of the faith formation program for children and youth at the First Unitarian Church.

- A. *Two Adult Rule.* Teaching teams will be established for all children's religious education activities and classes. No individual will be assigned to be the only teacher or supervisor of a program or activity for children and youth.
- B. *Visibility.* The windows in the doors of the children's religious education classrooms will not be obstructed. Classroom activity should be open to view from the hallway at all times, unless youth are participating in a special curriculum or activity for which parents have given written consent.
- C. *Adult Greeter.* An adult greeter will be assigned to the downstairs hallway of the church just prior to, and during, the regular Sunday morning faith formation program for children and youth. The greeter will welcome guests and be alert to safety issues.
- D. *Nursery Visits.* Because of the isolated location of the nursery, the Faith Formation Coordinator will arrange for frequent, unscheduled visits to the nursery during regular Sunday morning programming.
- E. *Annual Training.* The Faith Formation Coordinator, working with the Faith Formation Team, will provide annual training for Faith Formation teachers about child sexual abuse; appropriate boundaries, roles, and responsibilities; and this Safety Policy.
- F. *Awareness.* The Faith Formation Coordinator, working with the Faith Formation Team, will develop and implement a plan for teaching children and youth about safety awareness.
- G. *First Aid.* A first aid kit will be readily available in the office of the Faith Formation Coordinator and in each classroom.
- H. *Display of Emergency Information.* The Faith Formation Coordinator is required to ensure that an escape plan and the location of fire extinguishers is posted near each classroom door.
- I. *Fire/Disaster Drill.* In consultation with the Senior Minister, the Faith Formation Coordinator will conduct a Sunday morning fire/disaster drill for children and youth at least once annually. This drill may be separate from or together with a drill that applies to adults engaged in Sunday morning activities.

VI. Incident Reporting and Response Procedures

- A. *Safety Response Team.* The following individuals are designated as the Safety Response Team for the First Unitarian Church:
- Senior Minister
 - Church Administrator
 - Faith Formation and Congregational Life Coordinator
 - President of the Board of Trustees
 - Faith Formation Team Leader (or person appointed by the Team Leader)
 - Two additional members appointed by the named members of the Safety Response Team.
- B. *Maintenance of Records.* Copies of all screening forms, reference checks, incident reports, DCI screening reports and Department of Human Services Child Abuse Registry reports will be kept in a place with restricted access in the church office.
- C. *Duty to Report.*
1. A volunteer in the Faith Formation program who becomes aware of or has reason to believe there has been an incident of misconduct either within the church or in connection with a program or activity sponsored by the church must report the incident to a Safety Response Team member.
 2. An employee who becomes aware of or has reason to suspect an incident of misconduct either within the church or in connection with any program or activity sponsored by the church is required to report the incident to a Safety Response Team member.
 3. Adult church members, volunteers in the Faith Formation program, and church staff are expected to be alert to circumstances likely to result in misconduct and are expected to report those circumstances to a Safety Response Team member.
- D. *Reporting Procedures*
1. A person with a reporting responsibility as stated in “C. Duty to Report” is required to make an oral report to a member of the Safety Response Team as soon as possible and not later than 24 hours after an incident occurs or after becoming aware of circumstances likely to result in misconduct.
 2. The report is to be made in the following manner:
 - a. If the incident involves a member of the Safety Response Team, the oral report should be made to a different member of the Safety Response Team.
 - b. In the event that a Safety Response Team member is not immediately available in person or by phone to receive an oral report, the person making the report must immediately text or email a brief written report to a member of the Safety Response Team.

- c. An oral report or a brief written report should be followed as soon as possible by a written report and, in any event, within 72 hours. An Incident Report Form is included at the end of this Safety Policy and may be sent by email to or printed and placed in the church mailbox of the Safety Response Team. (Paper copies of the Incident Report Form are available in the church office and in the office of the Church Administrator).
- E. *Response Procedure in Situations of Misconduct Toward a Child or Youth*
 1. Coordination of the Safety Response Team's response is ordinarily the responsibility of the Faith Formation Coordinator, unless the coordinator, with the consent of the team, delegates coordination responsibility to another team member. If the Faith Formation Coordinator is the person accused of misconduct, the coordinator must withdraw from the Safety Response Team until absolved of misconduct and the Safety Response Team will determine which of their members will coordinate the team's response. The person with coordination responsibility is the Response Coordinator.
 2. The Response Coordinator must document the allegations of misconduct and the Safety Response Team's response.
 3. The Safety Response Team must decide what actions need to be taken to ensure the safety of the alleged victim and other children and youth in the congregation and ensure that those actions are carried out.
 4. If the Safety Response Team determines that reasonable grounds exist to investigate whether misconduct involving a child or youth has occurred, and the alleged offender is **not** a child's parent or guardian, the Response Coordinator must notify the following people:
 - a. The child's or youth's parent(s) or guardian(s), both to inform them of the alleged misconduct and to advise them to contact Child Protective Services or Law Enforcement.
 - b. The Iowa Department of Human Services Child Protective Services.
 - c. The Church Administrator who will then notify:
 - i. the church's attorney and
 - ii. the church's insurance agent. The agent will not be given the names of the victim or the alleged perpetrator unless a claim seems imminent.
 5. If the alleged offender **is** a child or youth's parent or guardian, the Response Coordinator must **not** inform the alleged offender but instead must inform the child or youth that the church will report the alleged misconduct to the Iowa Department of Human Services and that someone from Child Protective Services will meet with the child or youth to make sure the child or youth is safe.
 6. The Response Coordinator must immediately remove the alleged offender from contact with children and youth and not allow any contact with children or youth until the allegations have been investigated and the

Safety Response Team is in agreement that it is safe for the alleged offender to have contact with children or youth. The alleged offender will be notified orally and in writing that this No Contact Rule is being invoked. The No Contact Rule means the alleged offender is not allowed to attend any activity at church at which children or youth may be present.

7. If the alleged offender is a paid staff member, that person will be placed on involuntary paid leave until (a) the Safety Response Team makes a determination that the safety of children and youth can be reasonably assured and (b) the Senior Minister makes a determination allowing the individual's continued employment (or, if the alleged offender is the Senior Minister, until the Board of Trustees has makes a determination allowing the Senior Minister's continued employment). Regardless of whether criminal charges are filed, continuation of employment is based on the best interests of the church.
8. If the Safety Response Team determines that it is necessary to inform the congregation of the misconduct, the Safety Response Team will prepare a public statement to inform and answer questions that members of the congregation may have. Only the Senior Minister or other designated members of the Safety Response Team will make statements to congregation members or to the press.
9. If the misconduct becomes public, the Senior Minister or other designated member of the Safety Response Team will consult with the UU Trauma Response Ministry (UUTRM) and may consult UUTRM in determining whether to make the misconduct public.
10. The Safety Response Team will ensure that pastoral care is available to all parties involved and to other congregants in need of pastoral support.

F. *Response Procedure in Situations of Misconduct Toward an Adult*

1. If a member of the Safety Response Team receives a report of misconduct toward an adult, that team member must immediately inform the other Safety Response Team members.
2. Coordination of the Safety Response Team's response in the case of misconduct toward an adult is ordinarily the responsibility of the Senior Minister, who may delegate the responsibility of coordination to another team member. If the Senior Minister is the person accused of misconduct, the Senior Minister must withdraw from the Safety Response Team until absolved of misconduct and the Safety Response Team will determine which of their members will coordinate the team's response. The person with coordination responsibility is the Response Coordinator.
3. The Response Coordinator must document the allegations of misconduct and the Safety Response Team's response.
4. The Safety Response Team must decide what actions need to be taken to ensure the safety of the alleged victim and others in the congregation and ensure that those actions are carried out.
5. If the Safety Response Team determines that reasonable grounds exist to investigate whether misconduct has occurred, the Response Coordinator

must notify the following persons of the of the allegations of misconduct: the alleged offender; the Church Administrator and, if there is a continuing risk of harm to congregants, law enforcement. The Church Administrator will notify the church's attorney and the church's insurer.

6. In conducting an investigation, the Safety Response Team must schedule a time to talk separately with the reporter of and/or the victim of the alleged misconduct and with the alleged offender, along with others who may have relevant information.
7. If the alleged offender is a paid staff member, that person will be placed on involuntary paid leave until (a) the Safety Response Team makes a determination that the safety of congregants is reasonably assured and (b) the Senior Minister makes a determination allowing the individual's continued employment (or, if the alleged offender is the Senior Minister, until the Board of Trustees has makes a determination allowing the Senior Minister's continued employment). Regardless of whether criminal charges are filed, continuation of employment is based on the best interests of the church.
8. The Senior Minister, Board President, or other person the Safety Response Team designates may consult with the UU Trauma Response Ministry (UUTRM) about the misconduct at any stage of the response process and must consult UUTRM before informing the congregation of the misconduct.
9. If the Safety Response Team determines that it is necessary to inform the congregation of the misconduct, the Safety Response Team will prepare a written statement to share with members. Only the Senior Minister (or authorized delegate) has the authority to make additional oral or written statements to congregants or to the press. If the Senior Minister is the alleged offender, the Safety Response Team must designate another authorized spokesperson to make statements to congregants or to the press. The authorized spokesperson may be a UUTRM responder deployed to assist the church.
10. The Safety Response Team will ensure that pastoral care is available to all parties involved and to other congregants in need of pastoral support.

VII. Safety Plan and Limited Access Agreement

- A. *Safety Plan.* If the Safety Response Team determines there is sufficient evidence of misconduct to require protection of the congregation (whether or not the victim of the misconduct is affiliated with the church), the team will treat all persons involved with care and respect and will take the following safety precautions:
 1. If the misconduct was toward a child or youth, the offender will not be permitted to have contact with children or youth involved in church activities until the offender has received appropriate treatment and the offender's treatment professional recommends reintegration into the church community.

2. If the Safety Response Team receives a reintegration recommendation from the offender's treatment professional, the Safety Response Team may agree to a reintegration safety plan including, if appropriate, a limited access agreement; however, the Safety Response Team is not permitted to allow the offender to work in the faith formation program for children and youth.
 3. The Safety Response Team will develop a reintegration safety plan in consultation with the offender, the offender's treatment professional, and support persons of the offender's choosing.
 - a. The safety plan will identify the individual's high-risk situations and specify safeguards designed to deal with those risks. An example might be having another adult present who knows about the individual's risk factors whenever he or she is involved in activities where children, youth, or potentially vulnerable adults are present.
 - b. The safety plan must allow the individual's treatment professional and the church Safety Response Team to share information so that the team can take appropriate actions to monitor the safety of children, youth and adult congregants.
 - c. The safety plan must be in writing and must specify the ways in which the offender's access to people or activities is limited. It must be signed by the offender and by a representative of the church (the Senior Minister, Board President, or other person designated by the Safety Response Team).
- B. *Safety Plan for Registered Sex Offender.* If a person wishing to participate in church activities is a registered sex offender, that person is required to meet with the Safety Response Team and enter into a safety plan with appropriate limitations on access. A registered sex offender's safety plan must at least meet the specifications of the safety plan in A. *Safety Plan.*
- C. *Open Discussion.* It is a goal at First Unitarian Church to create an atmosphere of openness so that adults and children feel supported and safe to talk about misconduct. Keeping secrets about misconduct (especially sexual misconduct) is harmful to victims, potential victims, the congregation, and the offender. Adults and children must be sufficiently aware so that they can recognize potentially risky situations both on and off church premises.
 - a. The Safety Response Team will share the existence of a safety plan and limited access agreement with appropriate members of the congregation.
 - b. In cases involving misconduct toward a child or youth, the team will encourage parents or guardians to talk with their children openly and honestly (in an age-appropriate way).
 - c. To ensure the safety of children and youth, the Safety Response Team will ensure that children and youth are informed (in an age-appropriate way) of the specific danger a offender presents and the limitations on that person's access to children and youth.

4.5 Supervising Children and Youth at First Unitarian Church of Des Moines

Maintaining the safety of our youth and children is part of the covenant we have with the church and with each other. Parents are responsible for their own children and youth when they are not in a scheduled church activity as well as before and after scheduled church activities.

During the times children (ages birth to grade 6) are not in a religious education setting with two adults present or in a childcare room with paid childcare staff, families are required to take responsibility for the children, both in the building and on the grounds. Supervision is not provided on the playground or church grounds except when a religious education teacher or paid staff take the children or youth outside.

Middle school and high school age youth can be unsupervised, although cannot be in a room with the door closed and/or lights off.

The church is not responsible for the safety of children and youth on church grounds at times other than during the time of scheduled church events. Parents of children, birth to grade 6, should not leave church grounds while their children are in a supervised activity. No children or youth should be on the church grounds at times when no church events are scheduled unless a parent or adult authorized by a parent is present with the child or youth. The High School Youth Coordinator and Advisors shall see that youth are not left alone on the property but are attended by at least two adults while awaiting pick-up by parents after meetings.

4.6 Use of Products on Church Grounds

Members at First Unitarian have a great respect for the environment and also have a significant interest in improving and utilizing the woodlands that are on church property. This policy establishes guidelines for the use of selected products on church property – grounds and woods.

Unchecked, invasive species form monocultures, reducing natural stability and displacing viable wildlife habitats. They degrade the ecosystem by depleting the soil moisture, exacerbating erosion problems and disrupting nutrient cycles in the soil. Invasive plants limit the usability of the church woodland area because they inhibit movement through the space and some, such as poison ivy, are a health risk. They also make the space unattractive to members, visitors and neighbors and may spread to neighboring properties.

Invasive species have been and will be in the woods for several years. Past work has removed some of these temporarily but the effort to get these under control will be long-term. Invasive plants are highly resistant to mechanical control and, in some species, actually stimulates reproduction. A three-pronged approach will be used to control these identified plants: (1) an initial large-scale effort with researched, reliable chemicals applied appropriately; (2) re-planting appropriate species immediately; (3) on-going control with an organic product and/or mechanical removal, or when necessary, limited cut stump-only treatment.

Acceptable products and treatment methods to be used are:

Plant	Product	Acceptable Treatment method
Buckthorn	<i>Pathfinder, Garlon</i>	Foliar, cut stump, basal bark
Tree of Heaven	Pathfinder, Garlon, Tordon	Hack and squirt on larger trees, “burn” foliage on saplings
	Burnout	Resprouts
Bush Honeysuckle	Roundup, Pathfinder, Garlon	Foliar spraying (only after first frost when other plants are dormant), cut stump

UCDSM Executive Policy and Procedure Manual

Black Locust	Pathfinder, Garlon	Basil bark
	<i>Roundup, Pathfinder, Garlon</i>	Hack and squirt or cut stump
Garlic Mustard	Roundup, Pathfinder, Garlon or Burnout	Foliar, mechanical
Poison Ivy	Roundup, Garlon, Pathfinder	Foliar on small plants; Cut stump of large vines
	Burnout	Foliar on small plants

Application

All users must follow the label directions, including the use of protective gear, in ALL cases. Protective gear includes but is not limited to rubber gloves, long sleeved shirts and pants, eye protection and closed toe boots. Empty chemical bottles must be disposed of properly, according to label directions.

Notifications at the site of chemical application must be posted, including the re-entry time period specified on the label.

The following zones have been identified for limited chemical use as specified below:

1. *Within 5 feet of children's play areas, ceremonial space, along trail corridors and heavy use areas such as the Memorial Garden and Patio.* Use of mechanical removal and organics (such as Burnout) only with the exception of spot treatment of noxious species (poison ivy).
2. *Creek valley corridor.* Use of organics, mechanical or Round-up with hack and squirt only. No Tordon/2-4D should be used.

The following chemicals have been researched and due to the nature of these products are unacceptable for use on the church grounds:

- ✓ Aminopyralid
- ✓ Clorpyralid
- ✓ Imazapyr
- ✓ Metasulfuron methyl (AKA Escort)

Emergency Procedures

- If a member applying the chemical comes in harmful contact with it, follow label directions to mitigate the effects of contact.
- If this is a life threatening situation, call 911 IMMEDIATELY and notify the workday leader(s).
- Call the Iowa Poison Center at 1-800-222-1222 for additional guidance.
- The State of Iowa requires any person storing, handling, transporting, or disposing of a hazardous substance to notify the Department of Natural Resources and local law enforcement of the occurrence of a hazardous condition, i.e. a chemical spill.
- The notification should be made as soon as possible but not later than six hours after the onset or discovery of the hazardous condition.
- **Report the hazardous condition by calling the Iowa Department of Natural Resources at 515-281-8694 and the Des Moines Police Department at their non-emergency number of 515-283-4811.**

Appendix A**

This is a summary of acceptable products, as discussed in the policy, and relevant information.

Product	Advantages	Drawbacks
Roundup (glyphosate)	Can be applied year round – best late summer to fall (prior to color change)	Non-selective
	Low soil mobility, low risk of groundwater contamination	
Garlon, Pathfinder (Triclopyr)	Broadleaf selective	Application time depends on plant target but not over 85 degrees
	Practically non-toxic to slightly toxic for mammals, birds and bees.	Can result in ground water contamination due to soil mobility
Tordon	Can be applied year round	Highly water soluble but volume used for targeted application may mitigate this issue
	Low toxicity to terrestrial organisms	Toxic to aquatic organisms
	Broadleaf selective	
Burnout	No lasting harmful effects	Requires full sun and hot weather
		Non-selective
