

WORKING COMMITTEES

STEERING COMMITTEE

10 members, including 2 co-chairs and representatives from the subcommittees (7) and the Board (2). Two staff resource people.

A Board of Trustees committee. Make decisions about the projects with input from the subcommittees, Board, and congregation. Hire and coordinate with design services and a construction manager. Determine affordability and priority of construction projects. Keep the congregation and Board informed of progress.

WOODS & CREEK	INFRASTRUCTURE	LOWER LEVEL	UPPER LEVEL
5 members 2 member resources	6 members 1 member resource	5 members 1 staff resource	6 members 1 member resource
Stabilize creek banks and remove invasive plants. Replace culvert with a pedestrian bridge.	Review all structural elements of the building and grounds to recommend what needs to be addressed and with what priorities.	Renovate Faith Formation classrooms and activity areas, playground & patio, and south entrance.	Oversee remodeling of auditorium and Mary Safford Room, foyer, west entry, Gathering Area, Griffin Hall, elevator, and south entrance on the main floor.

AESTHETICS	COMMUNICATIONS	FUNDRAISING
6 members	8 members 2 staff resources	7 members
Collaborate on design elements such as colors and textures to tie building elements and spaces together visually.	Develop materials for Intercom, Spotlights, website, displays, brochures, mailings, Realm, and forums.	Raise lead gifts and general gifts.
